

Brand Name: Sperry West
Manufacturer: Sperry West, Inc
Manufacturer Part Number: SWHT704S
Product Line: Spyder
Product Model:SWHT-704S
Product Type:Surveillance/Network Camera
UPC: 871226002372

Network & Communication

Connectivity Technology: Wired

Power Description

Input Voltage: 12 V DC

Main Features

- Illumination: 1
- Color Supported: Color
- Focal Length: 3.70 mm to 3.70 mm
- Connectivity Technology: Wired

Marketing Information

Back to the OLD pinhole with a NEW TWIST--It's the whole camera. Because it's an extremely useful tool and can often be the only camera for the job...Sometimes you just can't change a well known environment. The best way to handle the covert set up is with a pinhole lens, installed at a slight angle, inside a dropped ceiling. The new Spyder SWHT-704S is not just a lens, but, the whole pinhole lens and camera, including magnetic mount.

Package Contents

- Spyder SWHT-704S Surveillance Camera
- Magnetic Mount
